

RAMP CLOSURE

"It's Time to Revamp the Ramps!"

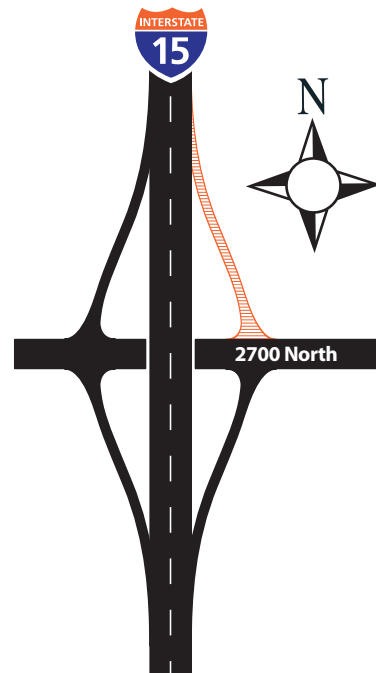

UDOT appreciates your continued patience during the I-15 NOW project. As we move into the final stretch of this important project, we want to remind you that it will be necessary to close several freeway ramps for reconstruction. During the reconstruction no consecutive ramps will be closed.

The following is ramp closure information specific to your area ramp and the closing date. We anticipate that the ramps will be closed for up to 21 days. Please contact us at 888-415-6690 if you have any questions.

2700 North (Exit #349) Southbound Off-Ramp

Closes: Monday, March 24th
Projected Re-opening: Sunday, April 13th

2700 North Northbound On-Ramp

Closes: Wednesday, March 26th
Projected Re-opening: Tuesday, April 15th

DO YOUR PART TO KEEP EVERYONE SAFE!

Please obey the posted speed limits within the project.
Watch for heavy equipment entering and exiting the freeway at any time.

You can visit the project website at: www.udot.utah.gov/i15now

For specific questions please call: **888-415-6690**
